INTRODUCTION

This Annual Report has been prepared on behalf of the Wimmera Base Hospital Foundation Trustees, for the community, to involve and inform people regarding the Foundation.

The Wimmera Base Hospital Foundation was created in June 1989, for the purpose of establishing an independent public charitable fund to which any person, corporation or association may contribute or bequest money or property for the sole purpose of assisting Wimmera Health Care Group to cater for the health care needs of our community.

Funds held by the Foundation are professionally managed and invested in accordance with the Trustee Act.

The principal will never be spent. Only the interest earned will be spent on projects agreed to between the Hospital Board of Management and Trustees of the Foundation.

It is not the intention of the Hospital to relieve the Government of its responsibility to the people of the Wimmera. Money raised by the Foundation and any other funds or property received will in no way affect the Hospital's annual budget allocations from the Government.

Wimmera Base Hospital Foundation

Chairman's Report

On behalf of the trustees of the Wimmera Base Hospital Foundation, I am pleased to present the Fifteenth Annual Report of the Wimmera Base Hospital Foundation.

My personal thanks to Trustees and all hospital staff for involvement in the Foundation over the last twelve months.

Behind the scenes the Foundation has been actively arranging much needed advertising in the Tidy Towns Calendar and more recently in the Wimmera Health Care Group 2003 2004 Quality of Care Report. I would like to suggest that these two advertising mediums should cover the bulk of our donating public, thus combined with our brochure keeps us well represented in the community.

We spoke twelve months ago of the adverse effect we saw to Foundation Funds by the events of the previous twelve months, this is slowly on the mend and I would suggest that the trustees again reflect upon the intent of funds under management being for the long term.

For your information the Wimmera Base Hospital Foundation is now audited as a part of Wimmera Health Care Group by the Auditor General Victoria attached is the Audit Certificate. It was refreshing to receive a letter from the Auditor General of Victoria commenting on the courtesy and assistance given in this process.

The Trustees are deeply saddened by the death of our colleague and friend Mr. Ned Carter. He was a dedicated and enthusiastic member, who handled his position in a professional manner. Our deepest sympathy to Nancy and family.

Don Johns
Chairman

The Foundation Strengthens.

Foundation Donations

All donations to the Foundation help to build a permanent fund that will be part of the basis for future development. The interest earned from this fund will provide for the inevitable demand for equipment, buildings and ongoing maintenance.

The ultimate success, however, depends on people recognising the need to plan ahead and financially support the trust.

The Wimmera Base Hospital Foundation Trustees appreciate and acknowledge all donations to the Foundation by awarding the following membership titles:

Patron (donations of \$250,000 and above)

None to date

Benefactor (donations of \$50,000 to \$250,000)
