THE TWENTY-SIXTH ANNUAL REPORT
OF THE
COMMITTEE OF MANAGEMENT
OF THE
Stawell Hospital and Benevolent Asylum.

FOR THE YEAR 1884-5.

*To the Governors, Subscribers, and Contributors of the Stawell
Hospital and Benevolent Asylum.*

“The Committee beg to hand back the trust committed to them in January last, and in doing so would remind you that as the previous report brings matters down to the 30th June, 1884, they can now only present a progress statement embracing the six months that have since elapsed.

“The Committee have ascertained that Clause 4 of the new Act relating to public charities is not applicable to this Institution, and they suggest that before the meeting in July next it might be desirable to consider whether steps should not be taken to have our Hospital and Benevolent Asylum incorporated.

“The Committee recommend the alteration of Rule 9, expunging the Clause in it referring to the Admission Committee, as it is now found almost practically useless. And they beg to call your attention to the fact that the Government has greatly reduced the amount previously allotted to them, and made it a

condition that one-half of the amount granted be raised locally, instead of one-third, as formerly required, and yet said nothing of the change till one-half the financial year was passed.

“Owing to the pressure of infirmity Dr. E. J. Bennett has resigned his position as Resident Surgeon, a step that will, no doubt, be much regretted by the Subscribers, as he served the Institution long and faithfully ; but the Committee are happy to report that they have secured the services of Dr. Harloe H. Fleming, a B.A., M.B., &c., of Dublin University—a gentleman of very high medical attainments—and that he takes charge on the first of February next.

“The statistics of the Institution for the six months are about the same as last year, and the Inspector’s report the Committee consider highly favorable. Some suggestions made in it are already effected, and others are either in the process of being carried out, or under consideration with that end in view.

“The retiring Committee trust that their successors in office will leave nothing undone to secure for this charitable Institution a character second to none in the Colony ; and they confidently appeal to the residents of the town and district to second well their efforts by liberal subscriptions.

MARTIN THORNFELDT,

PRESIDENT.”

SUPPLEMENTARY REPORT.

August 21st, 1885.

To the Governors, Subscribers, and Contributors of the Stawell Hospital and Benevolent Asylum.

“Since the date of the annual meeting in January last, matters have gone on with commendable smoothness, and the

various interests of the Institution are as prosperous as we could reasonably expect. Dr. Fleming, as Resident Surgeon, has given every satisfaction, and his reputation and kindly manner have largely increased the number of patients.

“The resignation of Dr. E. J. Bennett, alluded to in former part of this report, was followed by his death in the month of April, an event that loses to the Hospital a valued friend of many years standing.

“The ordinary receipts for the year amount to £1133 3s. 5d., and by the will of the late D. McKellar, Esq., a legacy of £1000 has come to the Hospital; while of the year's grant-in-aid a balance of £500 remained unpaid.

“The expenditure for the year has been rather less than that of the previous year, notwithstanding the increase in the number of patients—making the annual cost per occupied bed about £6 less.

“The number of in-patients for the year has been 224, as against 174 for the previous year; and of out-patients 231, as against 169; and the total attendances upon out-patients amounted to 1367.

“The death-rate has been about the same as in former years, and the benevolent ward has been a blessing to many infirm old men, though the Institution is still without any such ward for females.

“The failure of the Oriental Bank has not caused much inconvenience in the working of the Institution. The interest on the deposit has been lost, and the dividend, ten shillings in the pound, paid in most other cases, is still in our case delayed. The ultimate loss to the Hospital cannot yet be ascertained.

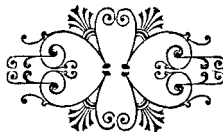

“During the year Dr. A. Bennett, one of the Honorary Surgeons, left the district; but Dr. R. N. Jack, who succeeded

him, was appointed in his place. To these gentlemen, and Dr. W. H. Syme, the Committee's best thanks are hereby given for their prompt and valuable services to the Hospital. The proprietors and agents of various newspapers and periodicals have also contributed gratuitously to the comfort of the patients by the regular supply of their publications, and thus have well earned the Committee's thanks.

"Though the sketch on the cover of the report does not properly represent the improved condition of the building, the Committee did not believe it expedient to incur, at present, the expense of a new sketch, as the inside plans show the accommodation afforded. The Committee earnestly hope for a higher appreciation of the claims of this charity by every class of the entire community, that its efficiency may be maintained, and, if possible, increased.

RICHARD D. OLLARD,

PRESIDENT."

RULES OF THE

Stawell Hospital and Benevolent Asylum.

1. The Hospital and Benevolent Asylum will afford, gratuitously, surgical and medical aid, and maintenance to any poor person requiring them, irrespective of creed, country, or color; but any person who shall be admitted, under any circumstances, and shall be found able to pay, shall be required to do so. Paying patients may be received, under certain conditions, according to the Bye-laws.

2. The Institution shall be managed by the Patrons, President, two Vice-Presidents, five Trustees, an Honorary Treasurer, the Honorary Surgeons, and a Committee of Management not exceeding twenty-four, twelve of whom shall be residents of outlying districts. The above-named officers, with the exception of the Treasurer, and Trustees, shall be elected annually, at the Annual General Meeting, in the month of January in each year, by duly qualified Subscribers. The Committee to be elected shall be nominated at or before such meeting, but nominations cannot be received (except for members of the outlying districts) without the consent of the person nominated.

3. Should a vacancy occur in any of the above-named offices, it shall be filled at the then or next ensuing General Meeting of Subscribers; but in all cases, except those of Treasurer or Trustees, the Board is empowered to temporarily fill the vacancy.

4. The duly qualified electors shall, at each Annual General Meeting, appoint two Auditors not members of the Board, to examine the accounts; but in case either of such Auditors neglect or refuse to perform his duty, the Board is empowered to temporarily appoint another Auditor or Auditors. And also it shall be competent for the President, or, in his absence, a Vice-President, at the request of not less than ten duly-qualified Subscribers, to convene by advertisement a meeting of Subscribers at any time, for the purpose of electing Auditors if any emergency arise to warrant the same.

5. The Board of Management shall include all officers named in the second rule; it shall direct the collection and distribution of funds; appoint and dismiss all paid officers and servants; frame regulations for the management of the Institution; present a report to the Annual General Meeting; and conduct the affairs of the Institution generally; and may from among themselves, from time to time, appoint committees for any purpose which, in their opinion, would be better regulated and managed by means of such committees; and it may fix the quorum of such committees, and may continue, alter, or discontinue such committees.

6. The Board shall meet for general business, once at least in each month, and for special business whenever requisite; such meetings to be convened by the Secretary at any time or place that may be ordered by the Board, the President, a Vice-President, or upon the requisition of not less than three members of the Board. At any meeting, seven members shall form a quorum, and in the absence of the President or Vice-Presidents, one of the members present shall be elected to act as chairman.

7. That every contributor of £25, in one sum, shall be a Life Governor ; also, any person nominated by any Society that has added a sum of not less than £25, or the executors to a Will, by which a sum of not less than £100 has been added to the funds of the Institution shall be Life Governors ; and the Board of Management shall have power to add to the List of Life Governors such persons as it may deem expedient for eminent services rendered.

8. Every Life Governor shall have the privilege of voting at all meetings of Subscribers, and of recommending five in-door and five out-door patients in each year. And every contributor of £1 and upwards shall be entitled to vote at such meetings, and of recommending one in-door and one out-door patient for each pound subscribed during the year. Members of the Board are not to be limited in the number of patients they may recommend but no person shall be qualified to vote at a meeting of Subscribers, unless he shall have been a Subscriber of at least £1 for the space of six months previous to such meeting, provided always that where a Subscriber shall have paid his subscription for the year immediately preceding the year in which any such meeting shall take place, the payment of his subscription for the then current year at any time before such meeting, shall entitle such Subscriber to vote. Life Governors and Life Subscribers only entitled to vote by proxy.

9. That accidents, and cases deemed of decided emergency by the Medical Officer in attendance, be received at any time ; in ordinary cases patients shall be admitted daily (Sunday excepted), at such hours as may be appointed by the Board on the recommendation of a Subscriber of at least £1 sterling for the then current year, and one member of Committee, and special cases shall be admitted at any time on an order signed by the House Committee and one of the Honorary Surgeons ; but patients to the Benevolent Ward shall only be admitted, after due enquiry, on an order of the Board of Management.

10. That no female for the purpose of confinement, child under 5 years of age, insane person, or one affected with an infectious disease (with the exception of cases of accident or emergency, as per Rule 9), shall be admitted except by the express permission of the House Committee or Board of Management.

11. The House Committee shall at least once a week visit the Institution for the purpose of inspecting the arrangements thereof, and of inquiring of the patients if they are properly attended to, and shall report in writing to the next meeting of the Board any alterations or suggestions they may think necessary ; such Committee to be selected by agreement amongst the members during the sitting of the Board.

12. If any member of the Board shall neglect his duty for the space of two months (the Trustees excepted), he shall suffer disqualification (unless upon a well-founded excuse), and another shall be appointed in his stead if the Board think fit. And any contractor to the Institution being a member of the Board, shall absent himself from its sittings while any subject relating to his contract is under consideration.

13. The Board shall have power from time to time to make, rescind, alter, or amend any bye-laws for the due management of the affairs of the Institution ; but no such bye-laws shall be made, rescinded, altered, or amended, unless upon seven days' notice thereof being given to each member, and only upon being carried by a majority of two-thirds of a meeting consisting of not less than fifteen members of the Board.

14. That no alteration or rescinding of Rules shall be made except by duly qualified contributors, in public meeting assembled, of which the Secretary shall have given at least seven days' notice by public advertisement stating the business for which such meeting shall be convened.

HONORARY TREASURER.

15. The Honorary Treasurer shall receive all money on behalf of the Institution, and invest the same in such Bank or Banks as the Board shall direct to the credit of the Institution. He shall pay all accounts after the same have been signed by the Chairman of the meeting as having been approved of by the Board, by drafts on the Bank or Banks, which shall be countersigned by the President or one of the Vice-Presidents, and by the Secretary. He shall also keep an account of all money received and paid by him, and report the same at least once a month to a meeting of the Board.

HONORARY SURGEONS.

16. The Honorary Medical Officers shall consist of legally qualified Medical Practitioners, who shall be elected for one year. They shall have access to the Institution at all times; they shall assist the Resident Surgeon in the performance of all capital surgical operations—but no such operations shall be performed without previous consultations of the medical staff—and they shall regularly consult in all cases of importance or protracted continuance in the Institution.

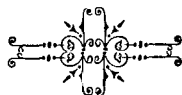

RESIDENT SURGEON.

17. The Resident Surgeon shall be a duly qualified Medical Practitioner, who shall reside on the premises, and shall not be absent therefrom for any lengthened period without the permission of the Board. He shall be allowed private practice within the limit of the Borough of Stawell, provided such private practice does not interfere with his duties as Resident Surgeon.

SECRETARY.

18. The Secretary shall convene the Annual General Meeting in the month of January, in each year, at such time and place as may be fixed by the Board, by advertisement in the local papers at least seven days previous to the meeting.

19. He shall convene Special Meetings of duly qualified Subscribers in the same manner, when directed by the Board, or on the written application of ten duly qualified Subscribers of at least £1 each, the object of such meeting to be stated in the advertisement; and shall give special notice to each member of the Board of such meetings.
