THE † THIRTIETH † ANNUAL † REPORT

OF THE

COMMITTEE OF MANAGEMENT

OF THE

† Stawell Hospital and Benevolent Asylum. †

TO 31ST DECEMBER, 1888.

*To the Governors, Subscribers, and Contributors of the Stawell Hospital and
Benevolent Asylum.*

The old Act under which your Institution is placed makes it binding on the Subscribers to hold a public meeting in the January of each year, for the election of a Committee, the revising of your rules, and other matters needful to its proper maintenance, yet by a Government regulation, the vital statistics, accounts, etc., are not finally made up till the end of the financial year—the 30th of June.

The Committee have pleasure in reporting to you their transactions for the past six months, submitting the usual balance-sheet and Auditors report. It will be seen that the receipts are much smaller than they were for the corresponding period of 1887—a period that was somewhat exceptional, being part of Jubilee year, and many special donations were received. We regret that our Secretary has been unwell lately, and unable to call on a number of regular subscribers; he hopes, however, soon to overtake this work, and make a satisfactory return.

We regret that the Government has only allotted the usual grant for maintenance for 1888-89, viz., £1200, but we are hopeful that by a further application we may yet receive some aid in the way of a building grant.

The expenditure for maintenance is slightly in excess of what it was in 1887, owing to an increase both of in and out patients. We gratefully call attention to the low death rate, being only about $5\frac{1}{2}$ per cent. Some patients died simply of old age, and others were declared to be hopelessly ill before entering your Institution.

The Government inspector visited the Hospital on the 13th and 14th of December last, and gives a very favorable report as to the condition of the charity, but he remarks that the cost of maintenance is above the mean average of that of similar Institutions. Careful consideration is being given to this matter with the view of ascertaining if the cost can be lessened without impairing the efficiency of the Hospital.

The thanks of the Subscribers are due alike to the Honorary Surgeons for their ready and valuable skill, and to the proprietors of those newspapers that have been gratuitously supplied to the Institution, also to those friends who provided Christmas presents for the patients and asylum inmates.

This meeting will require to appoint a President, VicePresidents, a Committee of Management, and two Auditors to act for this year.

In surrendering their trust into your hands the Board is able to contemplate with satisfaction that the improvements made during their term of office have added greatly to the efficiency of the Institution, viz., the addition of the Jubilee Ward and the four smaller rooms lately completed chiefly for the use of Benevolent Asylum inmates.

We would, in conclusion, impress upon all well-wishers of the charity to spare no efforts in the future towards enlisting that hearty support and co-operation from all classes of the public, without which substantial aid cannot be given to the sick and infirm in the community.

C. G. HOLMES,

PRESIDENT.

SUPPLEMENTARY REPORT.

FOR THE HALF-YEAR TO 30TH JUNE, 1889.

31ST AUGUST, 1889.

*To the Governors, Subscribers, and Contributors of the Stawell Hospital and
Benevolent Asylum.*

At the close of another six months your Committee have only a few facts to record. Your Institution continues doing vigorously its praiseworthy work, successfully meeting the increased demands made upon it, both by the suffering and the infirm.

The subscriptions for 1888-9 are less than they were the previous year, the municipalities, special donations, and entertainments in aid of the Hospital showing a falling off to the extent of £105, while the reduction of the bank rate of interest has added to the decrease of the revenue.

The expenditure of this last year is greater, inasmuch as but eleven months were embraced in the accounts for 1887-8, while this report covers the entire twelve months. There has been an increase of in-patients, giving a daily average of 49.7, as against 41.81 for the year before; and the out-patients' attendances have numbered 1064, as against 1023. The number of attendants has had to be increased, and the price of several articles of provisions has been raised.

We regret having to report the death of Mr. John Childe, who was connected with the Hospital from its beginning, and was all along one of its true and liberal friends, besides having created himself a Life Governor and bequeathed by his will £100 to its funds. His executors, Messrs. Donald M'Lean, George Childe, and Andrew Anderson, have been appointed Life Governors. So also has Mr. W. Stevenson, as representing the National Holiday Committee, which presented £25 to our funds.

Mr. E. F. Pollard, an active worker for your Institution during his residence in Stawell, resigned his position on the Committee on his removal to Maryborough, and Mr. T. Y. Smith was appointed in his place. Mr.

C. G. Holmes has left Stawell, and sent in his resignation as a member of your Local Committee, and Mr. William Ainslie has been appointed to succeed him ; while of members for outlying districts Mr. W. Short, of Lubeck, and Mr. E. Jessel, of Murtoa, have resigned, and Mr. M. W. Edwards has been appointed for Lubeck and the Rev. W. Peters for Murtoa.

The Committee regret having to report a heavy overdraft of £1193 12s, but are hopeful of receiving a grant from the Government to repay a portion of the expense incurred in the erection of the Jubilee Ward, and have not as yet interfered with invested funds.

The Honorary Surgeons still attend promptly to the calls made upon them and deserve the sincere thanks of the Subscribers ; so also do the proprietors and agents of those papers that are supplied gratuitously for the use of the patients.

As your Institution continues to receive both Hospital and Benevolent Asylum patients, male and female, from all parts of our district, your Committee are hopeful of the enlarged support of the entire community, and they beg to assure all charitably disposed persons, that they will use their best efforts to maintain your Hospital in the high state of efficiency it has attained amongst the charities of the Colony.

The Accounts and Statistics for the year will be submitted as part of this Annual Report

ALBERT HALLS,
President.

RULES

OF THE

Stawell Hospital & Benevolent Asylum.

1. The Hospital and Benevolent Asylum will afford, gratuitously, surgical and medical aid, and maintenance to any poor person requiring them, irrespective of creed, country, or color; but any person who shall be admitted, under any circumstances, and shall be found able to pay, shall be required to do so. Paying patients may be received, under certain conditions, according to the Bye-laws.

2. The Institution shall be managed by the Patrons, President, two Vice-Presidents, five Trustees, an Honorary Treasurer, the Honorary Surgeons, and a Committee of Management not exceeding twenty-four, twelve of whom shall be residents of outlying districts. The above-named officers, with the exception of the Treasurer, and Trustees, shall be elected annually, at the Annual General Meeting, in the month of January in each year, by duly qualified Subscribers. The Committee to be elected shall be nominated at or before such meeting, but nominations cannot be received (except for members of the outlying districts) without the consent of the person nominated.

3. Should a vacancy occur in any of the above-named offices, it shall be filled at the then or next ensuing General Meeting of Subscribers; but in all cases, except those of Treasurer or Trustees, the Board is empowered to temporarily fill the vacancy.

4. The duly qualified electors shall, at each Annual General Meeting, appoint two Auditors not members of the Board, to examine the accounts; but in case either of such Auditors neglect or refuse to perform his duty, the Board is empowered to temporarily appoint another Auditor or Auditors. And also it shall be competent for the President, or in his absence, a Vice-President, at the request of not less than ten duly-qualified Subscribers, to convene by advertisement a meeting of Subscribers, at any time, for the purpose of electing Auditors if any emergency arise to warrant the same.

5. The Board of Management shall include all officers named in the second rule; it shall direct the collection and distribution of funds; appoint and dismiss all paid officers and servants; frame regulations for the management of the Institution; present a report to the Annual General Meeting; and conduct the affairs of the Institution generally; and may from among themselves, from time to time, appoint committees for any purpose which, in their opinion, would be better regulated and managed by means of such committees; and it may fix the quorum of such committees, and may continuè, alter, or discontinue such committees.

6. The Board shall meet for general business, once at least in each month, and for special business whenever requisite; such meetings to be convened by the Secretary at any time or place that may be ordered by the Board, the President, a Vice-President, or upon the requisition of not less than three members of the Board. At any meeting, seven members shall form a quorum, and in the absence of the President or Vice-Presidents, one of the members present shall be elected to act as chairman.

7. That every contributor of £25, in one sum, shall be a Life Governor; also, any person nominated by any Society that has added a sum of not less than £25, or the executors to a Will, by which a sum of not less than £100 has been added to the funds of the Institution shall be Life Governors; and the Board of Management shall have power to add to the List of Life Governors such persons as it may deem expedient for eminent services rendered.

8. Every Life Governor shall have the privilege of voting at all meetings of Subscribers, and of recommending five in-door and five out-door patients in each year. And every contributor of £1 and upwards shall be entitled to vote at such meetings, and of recommending one in-door and one out-door patient for each pound subscribed during the year. Members of the Board are not to be limited in the number of patients they may recommend, but no person shall be qualified to vote at a meeting of Subscribers, unless he shall have been a Subscriber of at least £1 for the space of six months previous to such meeting, provided always that where a Subscriber shall have paid his subscription for the year immediately preceding the year in which any such meeting shall take place, the payment of his subscription for the then current year at any time before such meeting, shall entitle such Subscriber to vote. Life Governors and Life Subscribers only entitled to vote by proxy.

9. That accidents, and cases deemed of decided emergency by the Medical Officer in attendance, be received at any time; in ordinary cases patients shall be admitted daily (Sunday excepted), at such hours as may be appointed by the Board on the recommendation of a Subscriber of at least £1 sterling for the then current year, and one member of Committee, and

special cases shall be admitted at any time on an order signed by the House Committee and one of the Honorary Surgeons; but patients to the Benevolent Ward shall only be admitted, after due enquiry, on an order of the Board of Management.

10. That no female for the purpose of confinement, child under 5 years of age, insane person, or one infected with an infectious disease (with the exception of cases of accident or emergency, as per Rule 9), shall be admitted except by the express permission of the House Committee or Board of Management.

11. The House Committee shall at least once a week visit the Institution for the purpose of inspecting the arrangements thereof, and of enquiring of the patients if they are properly attended to, and shall report in writing to the next meeting of the Board any alterations or suggestions they may think necessary; such Committee to be selected by agreement amongst the members during the sitting of the Board.

12. If any member of the Board shall neglect his duty for the space of two months (the Trustees excepted), he shall suffer disqualification (unless upon a well founded excuse), and another shall be appointed in his stead if the Board think fit. And any contractor to the Institution being a member of the Board, shall absent himself from its sittings while any subject relating to his contract is under consideration.

13. The Board shall have power from time to time to make, rescind, alter, or amend any bye-laws for the due management of the affairs of the Institution; but no such bye-laws shall be made, rescinded, altered, or amended, unless upon seven days' notice thereof being given to each member, and only upon being carried by a majority of two-thirds of a meeting consisting of not less than fifteen members of the Board.

14. That no alteration or rescinding of Rules shall be made except by duly qualified contributors, in public meeting assembled, of which the Secretary shall have given at least seven days' notice by public advertisement stating the business for which such meeting shall be convened.

HONORARY TREASURER.

15. The Honorary Treasurer shall receive all money on behalf of the Institution, and invest the same in such Bank or Banks as the Board shall direct to the credit of the Institution. He shall pay all accounts after the same have been signed by the Chairman of the meeting as having been approved of by the Board, by drafts on the Bank or Banks, which shall be countersigned by the President or one of the Vice-Presidents, and by the Secretary. He shall also keep an account of all money received and paid

by him, and report the same at least once a month to a meeting of the Board.

HONORARY SURGEONS.

16. The Honorary Medical Officers shall consist of legally qualified Medical Practitioners, who shall be elected for one year. They shall have access to the Institution at all times, they shall assist the Resident Surgeon in the performance of all capital surgical operations—but no such operations shall be performed without previous consultations of the medical staff—and they shall regularly consult in all cases of importance or protracted continuence in the Institution.

RESIDENT SURGEON.

17. The Resident Surgeon shall be a duly qualified Medical Practitioner, who shall reside on the premises, and shall not be absent therefrom for any lengthened period without the permission of the Board. He shall be allowed private practice within the limit of the Borough of Stawell, provided such private practice does not interfere with his duties as Resident Surgeon.

SECRETARY.

18. The Secretary shall convene the Annual General Meeting in the month of January in each year, at such time and place as may be fixed by the Board, by advertisement in the local papers at least seven days previous to the meeting.

19. He shall convene Special Meetings of duly qualified Subscribers in the same manner, when directed by the Board, or on the written application of ten duly qualified Subscribers of at least £1 each, the subject of such meeting to be stated in the advertisement ; and shall give special notice to each member of the Board of such meetings.
