THE  
TWENTY-SECOND ANNUAL REPORT  
OF THE  
COMMITTEE OF MANAGEMENT  
OF THE  
PLEASANT CREEK HOSPITAL,  
FOR THE YEAR 1880.

---

*To the Governors, Subscribers, and Contributors  
of the Pleasant Creek Hospital.*

WE beg to report that during the past year the management has been conducted in the ordinary way, consequently we have but little to report of any especial interest respecting the past year. It will be seen, by reference to the several schedules attached, that the numbers of both in-door and out-door patients were nearly the same as last year, but owing to some cases of unavoidably long duration, the daily average is higher, viz.,  $47\frac{1}{4}$  in-patients, as against  $42\frac{1}{2}$  in 1879, while 432 out-patients have received nearly an average of six visits each, making a total of 2562 attendances, as against 2131 in 1879. We are happy to report a much diminished death rate of the in-patients, viz., 23, being less than  $7\frac{1}{2}$  per cent.

We are sorry to have again to record a slight diminution in the subscriptions received, which is still chiefly attributable to the depressed state of the agricultural districts, and the general dulness of both mining and commercial pursuits.

With reference to the system of gardening, mentioned last year, some of the improvements have been effected, some others are to follow, and when shrubs are largely substituted for flowers the needful work will be less expensive.

We have had under consideration the gradually decreasing income of the institution, with the view, if possible, of bringing the expenditure within the means, a result hardly to be reached without impairing the efficiency of the Hospital, so that it will rest with the public either to much increase its donations or compel the future Committee to limit the relief. We may mention, while on this subject, that comparisons have been made with several

hospitals affording similar accommodation to your own, and find but little difference in the general expenditure. We have, however, prepared a report, which, if adopted and acted upon, will insure some reduction of present expenses.

There is, however, one subject which should receive your special consideration as being a fundamental alteration in the management of the institution, which the exigency of the times may require. With a view to the reduction of expenses we recommend that Rule 17 should be altered, so as to allow the Resident Surgeon private practice within the limits of the Borough of Stawell.

We have to remark that though the accounts for the year 1880 have closed with an overdraft less by £233 1s. 5d. than the previous year, this is more than counter-balanced by the diminished amounts likely to be received from the Government, an advance of £500 on account of the grant-in-aid for the present financial year being already received. The question of endowment to public charities is an important one, and will require most careful consideration and watchfulness. Hitherto they have been very largely supported by Government grants. This we believe is likely to be altered, and the burden thrown on local corporations. This change will need to be judiciously made, that the institutions may get the necessary support, and that the various corporations contribute to such as relieve their respective district. Pending these probable alterations we are sorry to report that the present Government have thought it necessary, owing to its own financial difficulties, to considerably reduce the grant-in-aid to be distributed amongst the public charities.

The Board of Management thankfully acknowledge the special donations received from the Dunmunkle, Stawell, and Avoca Shires, and to the Managers of the Goldfields Commons of Barkly & Navarre, and Landsborough, and the Banks at Stawell; they have also to thank the various ministers of religion and others for their kind exertions in connection with Hospital Sunday; the results of all these will be found detailed in the subscription list. Donations of fruit and other luxuries have been thankfully received, while the proprietors of the *Argus*, *Pleasant Creek News*, *Ballarat Star*, *Ararat Advertiser*, and the agents in Stawell for the *Leader* and *Weekly Times* have generously supplied these papers gratuitously for the use of the patients. Several bundles of old calico and linen have been received, but a still greater supply of these articles is much needed.

We regret to have to record the removal by death of a member and friend of the institution, viz., Mr. Robert Barber, who for many years took an active and earnest part in its welfare.

Having completed our term of office, we request you will appoint a new Committee and Auditors for the present year, the old members being eligible for re-election.

JOSEPH CAWLEY, PRESIDENT.

## Rules of the Pleasant Creek Hospital.

1. The Hospital will afford, gratuitously, surgical and medical aid to any poor person requiring it, irrespective of creed, country, or color; but any person who shall be admitted, under any circumstances, and shall be found able to pay, shall be required to do so. Paying patients may be received, under certain conditions, according to the Bye-laws.

2. The Hospital shall be managed by the Patrons, President, two Vice-Presidents, five Trustees, an Honorary Treasurer, the Honorary Surgeons, and a Committee of Management not exceeding twenty-four, twelve of whom shall be residents of outlying districts. The above-named officers, with the exception of the Treasurer and Trustees, shall be elected annually, at the Annual General Meeting, in the month of January in each year, by duly qualified Subscribers. The Committee to be elected shall be nominated at or before such meeting, but nominations cannot be received (except for members of the outlying districts) without the consent of the person nominated.

3. Should a vacancy occur in any of the above-named offices, it shall be filled at the then or next ensuing General Meeting of Subscribers; but in all cases, except those of Treasurer or Trustees, the Board is empowered to temporarily fill the vacancy.

4. The duly-qualified electors shall, at each Annual General Meeting appoint two Auditors not members of the Board, to examine the accounts; but in case either of such Auditors neglect or refuse to perform his duty, the Board is empowered to temporarily appoint another Auditor or Auditors. And also it shall be competent for the President, or, in his absence, a Vice-President, at the request of not less than ten duly-qualified Subscribers, to convene by advertisement a meeting of Subscribers at any time, for the purpose of electing Auditors, if any emergency arise to warrant the same.

5. The Board of Management shall include all officers named in the second rule; it shall direct the collection and distribution of funds; appoint and dismiss all paid officers and servants; frame regulations for the management of the Hospital; present a report to the Annual General Meeting; and conduct the affairs of the Hospital generally; and may, from among themselves, from time to time, appoint committees for any purpose which, in their opinion, would be better regulated and managed by means of such committees; and it may fix the quorum of such committees, and may continue, alter or discontinue such committees.

6. The Board shall meet for general business, once at least in each month, and for special business whenever requisite; such meetings to be convened by the Secretary at any time or place that may be ordered by the Board the President, a Vice-President, or upon the requisition of not less than three members of the Board. At any meeting, seven members shall form a quorum, and in the absence of the President or Vice-Presidents, one of the members present shall be elected to act as chairman.

7. That every contributor of £25, in one sum, shall be a Life Governor; also, any person nominated by any Society that has added a sum of not less than £25, or the Executors to a Will, by which a sum of not less than £100 has been added to the funds of the Hospital, shall be Life Governors; and the Board of Management shall have power to add to the List of Life Governors such persons as it may deem expedient for eminent services rendered.

8. Every Life Governor shall have the privilege of voting at all meetings of Subscribers, and of recommending five in-door and five out-door patients in each year. And every contributor of £1 and upwards, shall be entitled to vote at such meetings, and of recommending one in-door and one out-door patient for each pound subscribed during the year. Members of the Board are not to be limited in the number of patients they may recommend,

but no person shall be qualified to vote at a meeting of Subscribers, unless he shall have been a Subscriber of at least £1 for the space of six months previous to such meeting, provided always that where a subscriber shall have paid his subscription for the year immediately preceding the year in which any such meeting shall take place, the payment of his subscription for the then current year at any time before such meeting shall entitle such Subscriber to vote. Life Governors and Life Subscribers only entitled to vote by proxy.

9. That accidents, and such cases as may be deemed of decided emergency by the Medical Officer in attendance, be received at any time; and that in ordinary cases patients shall be admitted daily (Sunday excepted), at such hours as may be from time to time appointed by the Board, on the recommendation of a Subscriber of at least £1 sterling for the then current year, and on the authority of the Admission Committee, who shall certify that such patient is not capable of providing for medical attendance; but patients shall be admitted at any time on a special order, signed by the House Committee and one of the Honorary Surgeons.

10. That no female for the purpose of confinement, child under five years of age, insane person or one affected with an infectious disease (with the exception of cases of accident or emergency as per rule 9), shall be admitted except by the express permission of the House Committee or Board of Management.

11. The House Committee shall at least once a week visit the Hospital, for the purpose of inspecting the arrangements thereof, and of inquiring of the patients if they are properly attended to, and shall report in writing to the next meeting of the Board any alterations or suggestions they may think necessary; such committee to be selected by agreement amongst the members during the sitting of the Board.

12. If any member of the Board shall neglect his duty for the space of two months (the Trustees excepted), he shall suffer disqualification (unless upon well-founded excuse), and another shall be appointed in his stead if the Board think fit. And any contractor to the Hospital, being a member of the Board, shall absent himself from its sittings while any subject relating to his contract is under consideration.

13. The Board shall have power from time to time to make, rescind, alter, or amend any bye-laws for the due management of the affairs of the Hospital; but no such bye-laws shall be made, rescinded, altered, or amended, unless upon seven days' notice thereof being given to each member and only upon being carried by a majority of two-thirds of a meeting consisting of not less than fifteen members of the Board.

14. That no alteration or rescinding of Rules shall be made except by duly-qualified contributors, in public meeting assembled, of which the Secretary shall have given at least seven days' notice by public advertisement, stating the business for which such meeting shall be convened.

#### HONORARY TREASURER.

15. The Honorary Treasurer shall receive all money on behalf of the Hospital and invest the same in such Bank or Banks as the Board shall direct to the credit of the Hospital. He shall pay all accounts after the same have been signed by the Chairman of the meeting as having been approved of by the Board, by drafts on the Bank or Banks, which shall be countersigned by the President or one of the Vice-Presidents, and by the Secretary. He shall also keep an account of all money received and paid by him, and report the same at least once a month to a meeting of the Board.

#### HONORARY SURGEONS.

16. The Honorary Medical Officers shall consist of legally qualified Medical Practitioners, who shall be elected for one year. They shall have access to the Hospital at all times; they shall assist the Resident Surgeon in the performance of all capital surgical operations--but no such operations shall be performed without previous consultations of the medical staff--and they shall regularly consult in all cases of importance or protracted continuance in the Hospital.

## RESIDENT SURGEON.

17. The Resident Surgeon shall be a duly qualified medical practitioner, who shall reside on the premises, and shall not be absent therefrom for any lengthened period without the permission of the Board. He shall be allowed private practice within the limits of the Borough of Stawell, provided such private practice does not interfere with his duties as Resident Surgeon.

## SECRETARY.

18. The Secretary shall convene the Annual General Meeting in the month of January, in each year, at such time and place as may be fixed by the Board, by advertisement in the local papers at least seven days previous to the meeting.

19. He shall convene Special Meetings of duly qualified Subscribers in the same manner, when directed by the Board, or on the written application of ten duly qualified Subscribers of at least £1 each, the object of such meeting to be stated in the advertisement; and shall give special notice to each member of the Board of such meetings.
